

The Swedish Whippet Club welcomes you to the official 50th Anniversary Show at Vilsta Sporthotell, Eskilstuna on Thursday, July 23, 2026, and sends catalog numbers, class distribution, as well as practical information and the program for the day.

The club is overjoyed with all the entries, 209 from 8 different countries on Thursday! We had hoped for a good response from our exhibitors with such renowned judges!

It's so fun and engaging to see the huge interest in the entire event: how many people want to come and celebrate the club's 50th anniversary with us!

Due to SKK's rules of a maximum of 80 dogs per day and per judge, we've had to divide the classes. Our ambition has been not to move the same class to both days, and for replacement judges to be recognized breed specialists, breeders, and judges with extensive experience of the breed. The extra judge on Thursday is Elisabet Janzon, kennel Wolf Tone.

## Show catalogue

The catalogue at our dog show is electronic and free of charge. The electronic catalogue will be available the same day in the morning two hours before the start of the dog show according to FCI rules. The catalogue can be found on <https://skkdogshow.se/sv/federation/1/events/upcoming>. Pre-ordered Jubilee catalogs can be picked up at the secretariat by the rings. You can also buy the Jubilee catalog on-site at the secretariat.
